MIDI DIGI

MIDDLETON DIGITAL SPARKS

I would like a gadget I can learn to use.

I want to learn how to use my phone/tablet/laptop well & safely.

I'd like to explore the digital/online world & learn new tech skills with others.

what

learn to use your phone & tablet well

make appointments online with confidence

shop safely online

set up a website for a business

sort out your universal credit (UC)

make your own gadget

access online banking with confidence

start coding

with

tea, coffee
